

Accessibility Statement for the website www.babycoccole.it in accordance with Law No. 4 of January 9, 2004 ("Legge Stanca") and Directive (EU) 2019/882 (European Accessibility Act - EAA)

Statement

Betafarma S.p.A. is committed to making its website accessible, in accordance with Law No. 4 of January 9, 2004 ("Legge Stanca"), as amended by Legislative Decree No. 106 of August 10, 2018, and with Directive (EU) 2019/882 (European Accessibility Act - EAA).

This accessibility statement applies to the website: <https://www.babycoccole.it>

Compliance Status

This website is **partially compliant** with the requirements set out in **Annex A of UNI CEI EN 301549:2018**, due to the non-conformities listed below.

The site is currently undergoing a process of continuous improvement, with the objective of progressively achieving **full compliance** with the applicable accessibility requirements.

Non-accessible Content

The following content is currently **not accessible**, in violation of the criteria set forth by Law 4/2004 and the applicable technical standards:

- **C.9.1.1.1** – Some non-text content does not have equivalent text alternatives.
- **C.9.1.3.1** – On certain pages, structure and information are not programmatically identifiable.
- **C.9.1.4.3** – The visual representation of text does not always meet minimum contrast requirements.
- **C.9.1.4.4** – Some text cannot be resized up to 200% without loss of content or functionality.
- **C.9.1.4.5** – Some text images are neither customizable nor essential.
- **C.9.1.4.10** – Some content does not correctly adapt to screen resizing.
- **C.9.1.4.11** – In certain components, color contrast in various states does not reach the minimum ratio of 3:1.
- **C.9.2.1.1** – Some functions are not fully usable via keyboard navigation.
- **C.9.2.4.1** – No mechanism is provided to skip repetitive content blocks.
- **C.9.3.1.2** – Language changes within the text are not always properly marked in the code.
- **C.9.4.1.2** – In some components, name, role, state, or value are not correctly identified or updated for assistive technologies.

Preparation of this Accessibility Statement

- **Date of preparation:** 16/06/2025
- **Assessment method:** conducted by a third party through objective and subjective analysis (pursuant to Article 3, paragraph 1, of Commission Implementing Decision (EU) 2018/1523).
- **Last review:** 07/07/2025
- The statement is reviewed **at least once a year**, as recommended by EU guidelines.

Feedback and Contact

User feedback is essential to help us improve the accessibility of the website. For reports, requests, or suggestions, please contact:

Phone: +39 02.48602189

Email: info@betafarma.it

Complaint Procedure (AgID)

If the response is unsatisfactory or if there is no response within 30 days, users may submit a report to the **Agency for Digital Italy (AgID)** via PEC (certified email): protocollo@pec.agid.gov.it
